

# CHOOSE YOUR PATH. ANY WAY - YOUR WAY

## ...APPLY AS A TEAM LEADER

Are you inquisitive and self-driven? Will you make a difference to our company and your colleagues around you? If the answer is yes, ja, oui or igen, then we'd like to hear from you. We are looking to recruit a strong leader able to motivate and develop a team in production, interested in continuous improvement processes with a university degree and at least 2+ years of professional experience in people management. Other assets include: fluent in English (spoken and written), have high level of expertise in Excel & Power point, result oriented, team player, problem solver and fast learner.

### RISE TO THE CHALLENGE

Philip Morris Lietuva is seeking talented people to join our team in Klaipeda Factory. As a Team Leader you will be responsible for supervision, coordination and organization of business unit's single shift within established procedures and practices in order to ensure that volumes, performance and productivity departmental targets are met while maintaining quality, safety and environmental standards. You will lead, motivate and coach your team members in order to ensure objectives achievement, good working relations and employee's development.

### FIND A NEW PATH

Our company offers you a fresh perspective. Here, you will never stop exploring and discovering. We take on-the-job learning to another level, giving you every opportunity to develop your career and reach your full potential. With innovative technologies, services, and processes, backed by a competitive salary and compensation package, you will work in a professional setting with clients and team members from all over the world.

### JOIN A GLOBAL MARKET LEADER

Philip Morris International Inc. (PMI) is the leading international tobacco company, with six of the world's top 15 international brands, including the number one cigarette brand worldwide. PMI's products are sold in more than 180 markets. In 2014, the company held an estimated 15.6% share of the total international cigarette market outside of the U.S., or 28.6% excluding the People's Republic of China and the U.S. For more information, see [www.pmi.com](http://www.pmi.com).
